

Spirit Wind Dress Code Policy 2023

- Singers shall come on tour looking clean and neat by wearing clothing and exhibiting grooming that will not be a health or safety hazard to the singer or others.
- Clothing should be designed, constructed and worn in a manner that is not suggestive or indecent.
- Clothing that exhibits pictures, emblems, slogans or writings that are lewd, offensive, vulgar, or obscene, or that depict or advocate violence, or advertise tobacco products, alcoholic beverages, drugs, or any other substance is prohibited.
- Singers' hair shall be clean and well-groomed. All hair colors shall be natural hair colors. Bright or neon colors and extreme hairstyles are prohibited.
- Any tattoos or body piercing already on a student must not be visible to others, except earrings or studs. This prohibition on visible body piercing includes, but is not limited to, facial studs, facial rings, clear spacers, or tongue bars.
- To prevent inappropriate exposure when a singer is sitting, standing or performing other normal activities, the length of a dress, skirt, or shorts must be longer than "fingertip length," (i.e., the length must extend beyond the point where the singer's fingertips fall when his/her arms are at the side).
- Tops with straps missing and/or without a standard armhole are prohibited. Bare midriffs, spaghetti strap tank tops, and halter-tops are also prohibited. Any top showing bare midriff when arms are extended straight outward to the side and parallel to the ground is prohibited.
- Any clothing with excessively improper fit is prohibited. The waist of pants must be worn at the proper place on the hips. No sagging or bagging pants/shorts are permitted.
- Any undergarment may not be visible.
- Swimsuit attire should be appropriate. Gentlemen should have swim shorts that do not sag. Ladies should have a one-piece, tankini or wear a shirt to cover any other two piece swimsuit.
