Spirit Wind
MANY GIFTS, ONE SPIRIT

EST. 1978

MEMBERS:

Spirit Wind tours for ten days during the month of June and is open to youth who have just completed their 8th grade year to graduating seniors. Audition interviews occur during January each year and are open for both singers and instrumentalists. Audition dates, times, and information for each year can be found on the Spirit Wind website. For those not able to make an audition date, you are still welcome to audition digitally. Check out the website for more information on this.

WHO IS SPIRIT WIND?

As a non-denominational Christian organization dedicated to enriching the lives of others through music, Spirit Wind offers youth close fellowship with peers, musical growth through performance, and a platform for showcasing musical talents as they minister God's love to the broader community. Spirit Wind has toured across Texas, the US, and World since 1978. We invite you to join us in song, prayer, and ministry as Spirit Wind continues to spread God's eternal love through song.

HOSTING SPIRIT WIND:

We are continuously working to schedule concerts. If the next tour becomes full, then we will begin a waiting list for the next year. We would love to have the opportunity to come and worship with you through song and fellowship. No church is too big or small for Spirit Wind. We also encourage you to make this a community event by inviting other churches to participate as well. For hosting information, send an e-mail to manygifts@spiritwindnwtx.com or fill out the request form on our website.
